About the Organizer	<p>The headquarter of Tianjin TEDA Group Co., Ltd is located in Tianjin Binhai New Area, adjacent to Port of Tianjin. Tianjin TEDA Group Co., Ltd is a comprehensive, multi-functional large-scale state-owned conglomerate with modern enterprise system approved by the CPC Tianjin Municipal Committee and Tianjin government. TEDA Group shares common development and growth with Tianjin Development Area; and is the main force and pacesetter for the development and opening up of Tianjin Binhai New Area. TEDA Group has formed industrial platforms in areas such as regional development, real estate, infrastructure construction, and modern services, etc. after years of fighting and forging ahead with determination. With total asset size exceeding 60 billion RMB, TEDA Group has become the city's most capable operator. In the new period of Socialism with Chinese characteristics and facing the national strategy of synergetic development of Beijing-Tianjin-Hebei Area and the One Belt and One Road (OBOR) Initiative, TEDA Group will take full use of its advantages, keeping an eye on the world while setting a foothold in Tianjin, striving to create a first-class state-owned enterprise with great benefit and an outstanding brand.</p> <p>Since 2004, authorized by Ministry of Commerce of China, TEDA Group has successfully organized 199seminars for 4499 participants on various topics such as Construction and Management of Development Areas and Scientific and Technological Park, Management of Free Trade Zones, Port Management, Seawater Desalination and Multipurpose Utilization and Mining Development and Management etc. Those seminars were all well received by officials from over 120 developing countries in Africa, Asia and Oceania.</p>	
Seminar Course Content	<p>Economic Development Areas are the fastest growing regions in China. Since their establishment in 1984, they have been playing a leading role in exhibiting, radiating, demonstrating, driving and accelerating economic development in a variety of aspects such as opening to the outside world, attracting foreign investment, economic reform, sustainable development, and promoting regional economic growth, etc.; and become an important growth point for China's national economy. Tianjin Technological & Development Area is one of the first established national-level development areas.</p>	

After more than 30 years of construction and development, it has become the largest, the most efficient and the fastest growing development area in China.

In accordance with the nation's Belt and Road Initiative (BRI), TEDA has kicked off its second pioneering work while a new round of comprehensive construction projects for investment environment, urban environment, and civilization environment, etc. have launched simultaneously. In the future, taking industrial modernization as its foundation and management modernization as its backbone, TEDA will showcase to the world as a multi-functional, comprehensive and modernized industrial park

The seminar combines lectures and on-site visits together, which is specific, pragmatic and progressive. The major courses are set as below:

1. China's Reform and Opening-up;
2. China's Foreign Direct Investment: Development, Strategy and Policy;
3. The Business Invitation and Investment Attraction in TEDA;
4. The Urban Planning and Construction in TEDA;
5. The Labor Personnel Management in TEDA;
6. China's Foreign Invested Enterprises and so on.

In addition, we also arrange all the participants to visit different parks such as Tianjin Economic and Technological Development Area and Shenzhen Special Economic Zone etc. Through all the activities in the seminar, the participants from Sri Lanka can obtain China's managerial experience of industrial park. And we also help facilitate the construction and development of the industrial park in Sri Lanka.
