Mr. J. J. Rathnasiri,
Secretary,
Ministry of Public Administration, Home Affairs, Provincial Councils and Local Governments

Administration structure for implementation and monitoring of health instructions for prevention and control of COVID-19

This is further to my letter PA/DDG PHS II/3/COVID/Gen/2020 dated 29.06.2020 and the meeting held at my office on 01.07.2020 on the above subject.

It was decided that the existing government administration structure at district, divisional and village level will be utilized to implement the instructions issued by the Ministry of Health and Indigenous Medical Services for the prevention and control of COVID-19 and for monitoring purposes.

The instructions are available on the website of the Ministry of Health (http://www.health.gov.lk/moh_final/english/article_read_more.php?id=874). The details of the above implementation structure are given in annexure I.

I would be grateful if the respective government officials under your purview are given instructions to form the relevant committees urgently with the support of relevant stakeholders.
