ABOUT THE MALAYSIAN TECHNICAL COOPERATION PROGRAMME

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India; a significant Malaysian commitment to the South-South cooperation. In particular, the Technical Cooperation among Developing Countries (TCDC).

The MTCP addresses on the development of human resources through the provision of training in various areas which are essential to a country's development such as agriculture, economy, finance, public management and administration, science & technology and ICT, health, diplomacy, safety and security including cyber security, culture, community social development, environment-related, education, industrial and technical training. A survey analysis offered more than 60 technical and specialty training programs under the MTCP, which have benefited more than 35,500 participants from 144 countries.

OBJECTIVES OF MTCP

The MTCP aims to develop experience with other countries to strengthen bilateral relations between Malaysia and other developing countries; to promote South-South Cooperation (SSC); and to promote technical cooperation among Developing Countries.

ELIGIBILITY

Candidates are eligible for admission only if he/she meets the following requirements:

- have attained a year working experience and possessing a degree of PPP;
- appropriate level of proficiency in English, written as well as spoken; the course will be conducted in English; etc.
- comply with the general requirements for MTCP.

APPLICATION

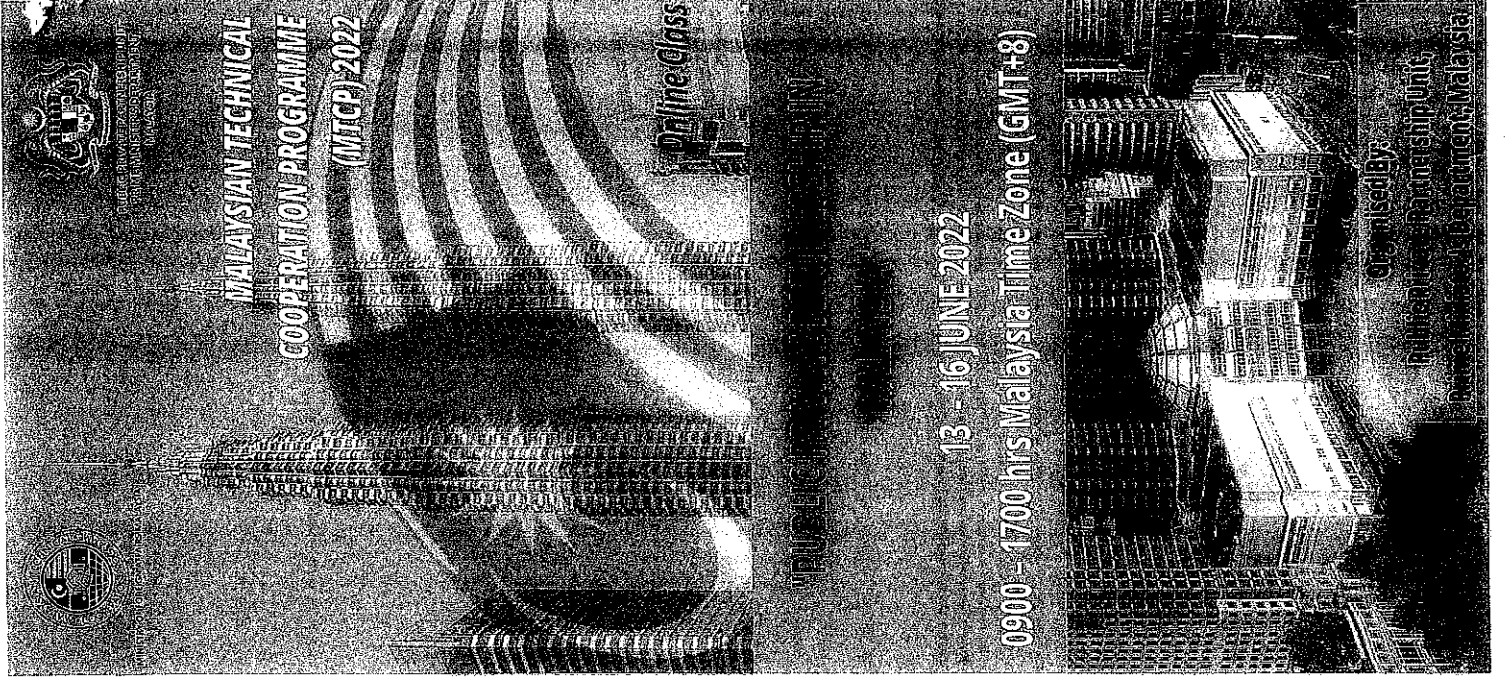

1. The course fees are fully sponsored by the Government of Malaysia.
2. Applications should be made using the prescribed MTCP forms available at <https://www.kln.gov.my/documents/8390448/8392184/MTCP+2022+-+APPLICATION+FORM.pdf/31506fe1-acea-44d1-88a2-7b4227e6bd2a>
3. MTCP application forms can also be obtained from the nearest Malaysian Embassy/High Commission in recipient countries.
4. All application forms must be duly completed and endorsed by the Ministry of Foreign Affairs or National Focal/Aid Coordinator Agency in the respective countries and submitted ONLY through the diplomatic channel via the Embassy/High Commission of Malaysia.
5. **Only successful applications will receive the Official invitation notification via email from the Training Institute one (1) week from the course date.**

Application Deadline : 13 May 2022

For further enquiries, applicants can either approach their respective Malaysian official representatives or contact the UKAS Secretariat:

Ms Karen Ang Huay Mein
Tel : (+603) 8880 5954
email : karen_ang@ukas.gov.my

Ms Aishah Binti Baharudin
Tel : (+603) 8880 5863
email : aishah.baharudin@ukas.gov.my

METHODOLOGY

The course will be conducted online over a 4-day period from 13 to 16 June 2022 (Monday – Thursday) 0900 – 1700 hrs Malaysia Time Zone (GMT+8). The course will include lectures, discussions, case studies and presentations.

Facilitators and speakers will comprise of government officials from Malaysia who are involved in PPP policy and project implementation.

DRESS CODE

Participants are advised to dress appropriately during lectures in collared shirt, office or official attire.

COUNTRY REPORT

Successful applicants will be required to prepare a country paper describing their country's national development plans in general and the role of PPP Unit/Organisation in particular. A ten (10) minute presentation (Power Point) will be required conducted on Day 1 and Day 3 from each country during the programme.

The country paper shall cover the following topics:

- ◆ Brief introduction of the participant's country;
- ◆ Brief introduction of the participant's organisation;
- ◆ PPP developments in the country; and
- ◆ Challenges faced in implementing PPP in participant's country.

To date, UKAS has held engagements and consultations with countries such as Uganda, Tanzania, United Arab Emirates, Ghana, Bangladesh, Sudan, India, Mongolia, Singapore and Canada, and international organisations including World Bank, International Monetary Fund (IMF), Asia Pacific Economic Cooperation (APEC), Islamic Development Bank (IDB), Asia Development Bank (ADB) and Japan International Cooperation Agency (JICA).

Recognising the growing importance of Public Private Partnerships in the economic development of a country, Malaysia through UKAS is proud to promote her experience and best practices in PPP projects to other developing nations. In the spirit of South-South Cooperation, this course under the Malaysian Technical Cooperation Programme will also give the opportunity for Malaysia to share her vast experience and expertise to friends from far and near, and strengthen UKAS' position as a referral centre for PPP.

OBJECTIVES

- i. To impart knowledge about the goals of PPP and understanding of its modality;
- ii. To allow participants to understand the principles that will help produce successful PPP projects;
- iii. To impart knowledge on the processes that will lead to a successful PPP engagement;
- iv. To share Malaysia's PPP best practices and experiences with other countries; and
- v. To enhance networking and bilateral ties between officials from different countries.

TARGET PARTICIPANTS

PPP Practitioners/Policy Makers from Government agencies/ PPP Units in the following areas:

- ◆ Infrastructure Planning
- ◆ Project Advisory
- ◆ State Planning Unit
- ◆ Project Implementation, Development, and Management

KEY TAKEAWAYS

At the end of this course, participants will be able to:

- i. Understand the cycle of PPP project planning, implementation, monitoring and reporting;
- ii. Enhance capabilities in structuring and managing PPP contracts;
- iii. Understand the role and responsibility of all stakeholders; and
- iv. Understand the challenges and key success factors of PPP.

PUBLIC-PRIVATE PARTNERSHIP (PPP) IN MALAYSIA

Malaysia began in 1983 when the Privatisation Policy. Due to the public sector in the 1990s, began to encourage and facilitate its infrastructure development. Significant involvement of the private partnerships at the development projects in Malaysia.

2006 to 2010 saw the government adopting new approaches and the efficacy of the privatisation used the potential of utilising PPP resources for both the public and private and more efficient public services. Malaysia took further steps in partnerships between the public sector and the provision of public services and related services.

UKAS PARTNERSHIP UNIT (UKAS), DEPARTMENT

UKAS is the central team, facilitating and coordinating established on 21 April 2009 under the UKAS endeavours to address the collaboration between the public and private sectors. More than thirty years of experience in PPP has attracted interest from governments and international organisations and consultations
